A sunny, warm Florida welcome to FLOREX 2022, where our theme celebrates the 100th Anniversary of the Lincoln Memorial a lasting symbol of liberty and freedom. FLOREX also has a long history with this being our 73rd show.

When I consider our FLOREX show and its theme, five words come to mind – change, transition, tradition, legacy, and the future. Change and transition, as we are here in a new venue with a transition of leadership for the show with this being my first year at the helm. Tradition from the standpoint of the longevity of this being the oldest WSP show in the southeast and the legacy of those like Francis Ferguson, Phil Fettig and others who have paved the way for the show's success over the years. They like Abraham Lincoln have stood tall and proud for their beliefs and determination to carve out a better future. May the future of the show and philately continue to thrive! Thank you to those who have worked so hard over the years to make the show a success.

Thank you to the dealers who have chosen to be a part of this year's show and contribute to the show's success in so many ways. The dealers in their endless hours of organizing and transporting their stock to shows, so that collectors and exhibitors can find those items to add something new; fill the holes in their collections, or improve their exhibits.

Thank you to the exhibitors, for their diligent efforts to research and share their knowledge of philately in their exhibits.

Thank you to the Judges, for their contribution of knowledge, time, effort, and expense to study and critique the exhibits.

Thank you to the members of the Central Florida Stamp club for their long-standing tradition of staffing the show. Thank you also this year to members of the Volusia County Stamp club who have volunteered to help staff FLOREX.

Thank you to Herb and his crew who help set up the show; provide assistance to the dealers and do the tear down afterwards. Certainly, a lot of time and dedication by everyone involved to make the show a success and continue the legacy of philately here in central Florida.

Enjoy FLOREX 2022! Let me know if you have any questions or concerns.

Yours Sincerely,

Mike Schumacher
General Chairman, FLOREX

CFSC

A warm Florida welcome to FLOREX 2022!

It was wonderful that we could resume our awesome annual show last year after a short hiatus in 2020, thanks to Covid-19. As a club, we managed to stay together, finding creative ways to carry on with sharing our philatelic passions. Hopefully, the worst of Covid is behind us.

As we gather for FLOREX 2022, we celebrate the 100th anniversary of the Lincoln Memorial. Upon entering the lobby, you will notice a large poster depicting the statue of Abraham Lincoln that adorns the steps of this national treasure. This amazing monument was dedicated to our 16th President, Abraham Lincoln. It took just over 8 years to construct and was dedicated on May 30, 1922 by President Warren G. Harding and Chief Justice William Howard Taft. It resides on the western end of the National Mall in Washington, D.C., across from the Washington Monument. Many of us are historians so we all know the important role Lincoln played in shaping the future of our great country. Show cachets are available at a very reasonable price for each day of the show to commemorate this important celebration – please stop by and get yours!

If this is your first time attending FLOREX, there are plenty of excellent opportunities to buy, sell, trade or simply seek advice on anything stamps! We have a kid's table too so be sure to bring the 'lil ones for a bucket of free stamps. Also be sure to check out the exhibit area and learn more about stamps and history. And don't forget to vote for your favorite one! We welcome our fellow dealers from across Florida and the U.S. as well as everyone visiting our show. We also welcome several societies and hope you can take some time to visit and participate in their separate activities. They will have tables located throughout the bourse floor.

The Central Florida Stamp Club (CFSC) has been in existence since the 1940s and we have been honored to staff and assist the FSDA with FLOREX since 1986. Our club has nearly 100 active members and we cordially invite you to one of our meetings. We meet every 1st and 3rd Thursdays of the month from 6 pm to 8 pm at the Marks Street Senior Center in downtown Orlando. There are presentations on all sorts of philatelic topics coupled with auctions at every meeting. Please visit the registration table for an application – we'd love to have you join us!

Welcome and enjoy the show!!

Michael H. Smith
VP-Programs
Central Florida Stamp Club

Welcome everybody to FLOREX 2022. This is the show's 73rd year!

This year we moved our location again and have changed from a 3-day event to a 2-day event. We feel both changes will have positive outcomes to helping to keep the event relevant and strong as we go into the future. We again are a World Series of Philately show in conjunction with the APS.

We hope the new venue in the Tommy Lawrence Arena at the Volusia County Fairgrounds is welcoming and easy to get to for everyone.

Welcome to those who have been here before, and welcome to all the newcomers experiencing FLOREX and our WSP Event for the first time. Please make sure you visit the tables of these Dealers who are at FLOREX for the first time or are returning after missing a few years: Boca Collectables, Coverman, George Enstrom, Philip Spitzer and Southpaw Stamps. As well as seeing your favorite dealers.

This year we welcome 25 dealers occupying 35 booths from all over the United States, as well as dealers from Canada. As usual you will find a wide variety of material covering all your needs or desires, and hopefully some surprises you were not expecting to find. The thrill is in the hunt and it's what keeps us coming back. Enjoy browsing through all the extensive stock of treasures our dealers have brought to this event, and good luck finding that one treasure you have been looking for!

I would like to personally thank all the volunteers that make this event possible, without them we would likely not be able to pull this off year after year. Special thanks to the Central Florida Stamp Club, without this group of dedicated individuals' things would not get done. Please be sure to thank our volunteers as you encounter them on the floor.

I hope everyone attending enjoys the show this year. I know a lot of work went into providing the best show possible.

If you have any questions or concerns, please visit me at the Browse House Booth # 25 & 26 -- or track down our Show Chairman Mike Schumacher.

I look forward to meeting and talking to everyone this year. Enjoy the show!

Gary Hausin

FSDA Life Member Gary Hausin passed away on August 26, 2022, at the age of 52 -- a little under a year from his father's death.

Gary and his father Bob formed the backbone of the well-known and respected New England Stamps. While they attended almost every local Central Florida show (large and small) for many decades they also regularly attended the Hollywood Stamp Club meetings. The countless miles the duo covered in support of the hobby is a testament to their tireless devotion.

There were many people who attended shows -- that their first stop was always New England Stamps. While the focus of the business was attending shows, they also moved a lot of merchandise with online sales -- that was Gary's primary job when in the office, while Bob handled the business end of the enterprise. It was not uncommon for individuals to receive a call from Bob or Gary to tell

them that there was an item in stock that they simply had to see. I received more than one of those calls over the twenty years I knew them. I now fondly look at those remarkable items.

Rest in peace my friend, you will be missed.

Hubbard L. Hart's Influence on Stagecoach and Steamboat Travel and Commerce in Central Florida

by Thomas Lera

Hubbard L. Hart was an American entrepreneur who ran the most prominent steamboat line in Florida. He augmented his business with hotels, orange groves and lumber mills, and is noted for helping the state develop as a tourist destination.

Hart built new steamboats to take tourists along the Ocklawaha, St. Johns and Indian Rivers who, in the early days, had to share the trip with freight and livestock. Between 1878 and 1884, Hart was awarded Florida Mail Route contracts on the St. Marys River, the boundary river between Florida and Georgia, and one on the Ocklawaha River.

"Tom has tackled the task of researching the various business ventures of Hubbard L. Hart and putting them into a most interesting monograph, tied together with a postal mail route and stagecoach historical context." Deane R. Briggs, M.D.

In late 2018, the Florida Postal History Society published Florida Postal History 1763-1861, a completely revised and updated version of the original publication.

The authors spent over 100 hours at the Florida State Archives researching more than 60 boxes containing hundreds of folders and files for Florida Election Returns and Governor's Papers. This resulted in the discovery of over 200 new EKU and LKU listings, and more than 80 full-color scans of new covers including the covers for many of the images printed originally black and white in both the 1999 and 2018 books.

The 2022 Revised Second Edition has updated records for nearly one-half of all towns, and scans of several

new postmarks and rate markings. As new US Post Office records have become available on the internet, we have located many post offices where we had originally stated, "the location was not clearly known."

This Revised Edition is a 456-page perfect-bound hardback book and includes revisions to the sections on Florida Pre-Territorial Postal History and the Republic of West Florida. An up-to-date census of known covers makes this a must have reference text for Florida postal historians.

The second edition will be available for \$50 at FLOREX 2022 and at the 2023 Sarasota National Stamp Exhibition. If a copy is requested by mail, the cost is \$60 which includes postage. Please order your copy now, with a check payable to the Florida Postal History Society. Send to: Deane R. Briggs, 138 Odin Drive, Winter Haven, Florida 33884

1. This exhibition is a WSP show open to all collectors regardless of philatelic affiliation who conform to the rules in this prospectus. Exhibits at time of entry that have won the APS Champion of Champions, an international grand prix, or three international large gold medals are ineligible. All material exhibited must be owned by the person(s) whose name(s) appears on the official entry form. Exhibits with dual ownership are not eligible unless the two individuals are husband and wife or parent and child. Exhibitors' names will be used in the program, in the palmars, in press releases after the show, and in connection with the awards. To remain anonymous, exhibitors must advise the exhibit committee and furnish a pseudonym.
2. Exhibits that have been purchased intact may not be exhibited for a period of two years from the date of purchase unless the exhibit is substantially altered by the addition of new material or new text. The Committee on the Accreditation of National Exhibitions and Judges will determine whether or not a particular exhibit is affected by this regulation.
3. **An entry form for each exhibit, along with the entry fee payable by check (made out to FSDA), must be mailed to: FLOREX, Mike Schumacher, 21635 Regency Park Lane, Leesburg, FL, 34748 -- arriving by October 1, 2022.** At most one multi-frame and one single-frame exhibits may be entered in the open competition by any one exhibitor. All fees paid will be refunded in case of non-acceptance but otherwise are non-refundable except as noted in #12 below.
4. Exhibits may be entered in any one of four classes: General, Single Frame, Youth, and Noncompetitive.
5. There will be up to 200 total frames at the show. Noncompetitive exhibits will only be accepted if they add significantly to the show. Examples include famous or infrequently seen rarities, innovative exhibits including those that will not fit in standard frames, and exhibits related to the theme or location of the show.
6. Exhibits are generally accepted in the order of receipt of completed entry forms and payment, however, FLOREX reserves the right to refuse any exhibit. Criteria that may be considered in the acceptance of exhibits include APS member status, membership in Societies participating in the show, service on the local committee or as a volunteer, planned attendance of the show and or awards functions, submission of title or synopsis pages, and whether or not the exhibit has been previously shown at FLOREX.
7. A jury of at least three APS-accredited judges will be appointed by the Exhibition Committee and approved by CANEJ to judge the exhibits. The judges will judge each exhibit on its own merit set forth in the 7th edition of the APS Manual of Philatelic Judging & Exhibiting, which is available through a free download from www.Stamps.org. Judging will be on an open basis. Exhibitors should familiarize themselves with the rules in order to achieve the highest award. Decisions of the judges are final. Other special and society awards will also be given to deserving exhibits at the discretion of the jury. All awards will be announced at an awards ceremony the afternoon of Saturday, December 2, 2022.
8. The following awards will be given to each qualified exhibit, based on the individual merit of that exhibit: Large Gold, Gold, Large Vermeil, Vermeil, Large Silver, Silver, Silver Bronze, Bronze or Certificate. There is no limit on the number of any one award that can be given in the exhibition. Grand and Reserve Grand awards will be given to the top General Class exhibits. Awards will also be given to the best Single Frame and the best Youth Class exhibit.

9. The Grand Award winner is expected to enter the winning exhibit in the next World Series of Philately, competing for the Champion of Champions award.
10. Exhibitors who have an exhibiting age of 21 years of or less on January 1, 2022, may enter the Youth Class. Frames for youth exhibits are offered at \$1.00 per frame.
11. Adult exhibits have a one-frame minimum and a ten-frame maximum. (Jenkins/ Ameripex type frames, each holding four rows of four 8 1/2 by 11 inch pages will be used.) If you wish to deviate from the standard frame layout (4 rows of 4 letter size pages) you must get the approval of the Exhibit Chair prior to submission of your application (call **Mike Schumacher 352-575-2553**). The occasional use of double size or double row pages to display larger items is approved. Each album page must be inserted into a transparent protective sleeve, envelope or covering and should bear progressive numbers, preferably on the reverse side, to indicate the order in which the pages are to be mounted, preferably closed on three sides. The FLOREX Exhibit Chair should be consulted in advance regarding any exhibits with large or odd-sized pages that will not be mounted and dismounted by the owner or a designated agent.
12. The Official Entry Form must be used. It has space for a description of the exhibit of no more than 25 words for inclusion in the program. The title and description on the Official Entry Form will be used in the exhibition program. Do not exceed 25 words in the description. Please check your Official Entry Form **carefully** before mailing it. If the frames are over subscribed, only one exhibit may be accepted. Each exhibitor must also submit seven copies of the title page and seven copies of a one or two page summary synopsis outline of the exhibit. This material may be sent at the time of application or up to October 1, 2022. The title page and synopsis for your exhibit will be distributed to the jury in advance of the show to assist them in preparing to evaluate your exhibit. A collector may submit more than one exhibit application, but the option to accept or decline the additional exhibits, is up to the Exhibition Committee. Separate entry forms must be used for each exhibit. The exhibit entry is \$10.00 per frame. However, the minimum fee for each exhibit is \$25.00. The entry fee must be paid in full when you submit your Official Entry Form, by check made payable to: **FSDA. Any entry form that is submitted and postmarked before August 15, 2022 is entitled to a 10% discount on fees.** The deadline for entries is October 1, 2022. Early application is important because the Exhibition Committee may close entries without further notice when frames are filled. The Exhibition Committee can, at its discretion, reject any exhibit for any reason. If the exhibit is rejected, the entry fee will be refunded in full. All exhibitors will be notified whether their exhibit has been accepted ASAP after October 1, 2022. Entry fees will not be refunded for exhibits withdrawn after October 1, 2022, or not delivered to the Exhibition Chair. In the event that an exhibit is rejected for violating this requirement, all entry fees, less an administrative fee of \$15, will be refunded. Withdrawal or failure to present an exhibit after accepted will result in forfeiture of any entry fee paid.
13. Personally, delivered exhibits will be received by the Exhibition Committee before the show between the hours of 4:00 pm and 6:00 pm on Thursday, December 1, 2022.
14. **No exhibit may be removed prior to the closing of the show at 5:00 pm Saturday, December 3, 2022.** The exhibit may be removed thereafter only when signed for by the exhibitor or duly-authorized representative and when checked out and released by the Exhibition Committee. The removal of exhibits will be carefully supervised by approved staff and will not be rushed so that safety and security are ensured.

Exhibitor Prospectus -- FLOREX 2022, December 2-3

15. Exhibits must be sent prepaid and with return postage or payment. They will be returned promptly after the closing of the show by the method requested by the owner. If no method is specified, your exhibit will be returned via Express Mail at a minimum fee of \$26.35 or the current rate, or actual cost whichever is greater. We highly recommend the use of fully insured Express Mail. **Please package your exhibit for shipping so that the packaging materials can be reused for return.**
16. **Exhibitors must provide their own insurance.** All reasonable care will be taken to ensure the safety of the exhibits, including 24-hour professional security guards. The exhibit is entered at the risk of the exhibitor. No responsibility or liability shall be attached to the Florida Stamp Dealers' Association, FLOREX 2022, its Committee members, sponsoring societies, or any of their employees, officers, volunteers or representatives for any damage or loss for any cause or reason.
17. The Exhibition Committee will have complete discretion in matters that may arise concerning the Exhibition and not provided for in this prospectus. Exhibitors must agree that the decision of the judges shall be final, and hereby release and agree to hold harmless the judges and the American Philatelic Society, its officers, directors, employees, and representatives from any damages, including but not limited to damages to my reputation or that of my exhibit, suffered or incurred as a result of the judging.
