FLOREX welcomes you, as we honor the 250th Anniversary of the Post Office -- Show cachets available at the registration desk.

This is the 76th annual FLOREX Stamp Show and is sponsored by the Florida Stamp Dealers' Association and hosted by the Central Florida Stamp Club. This show happens because of their support and sponsorship. Thank you to all of the donors as well.

Once again, the show has a variety of dealers (22) from near and far, who are eager to help philatelists of all ages and levels of collecting experience to fill some album pages and improve their exhibits.

The show also has a wonderful selection of philatelic exhibits (28 exhibits filling 150 frames) which will be evaluated by the American Philatelic Society panel of judges consisting of: Kenneth Nilsestuen, Chief Judge; Michael Ley and Rick Gibson. Most of the exhibitors will be attending the show, so if you have questions or want to know more about the exhibits connect with them and they will be delighted to answer your questions and share their knowledge. Or check out the Event Presentation schedule, as a two of the exhibits will be discussed in the sessions (Exhibit # 4 at *Postal History of the United Colonies* Friday at 2pm and exhibit #28 at *A Philatelic Look at the 1972 World Chess Championship* Saturday at 11am.

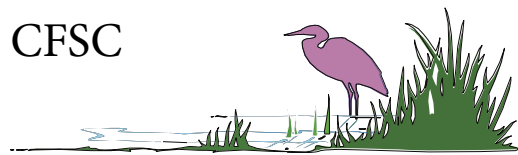

FLOREX activities include: a Dealer's Silent Auction both days (10am to 1pm) so stop by and bid early and often to be able to take home some wonderful selections. A Youth Table with free stamp for kids. And new at the show this year will be a POSTCROSSING Booth and Meet up. The Meet up will take place on Saturday from 11am to 1pm. They will have special postcards highlighting the Florida Manatee created by Cachet maker Chris Lazaroff for mailing. Chris will also have some of his other cachets available for purchase.

Thank you to everyone involved for their hard work in making things come together for this 76th annual show. Enjoy the show and let me know if you have any questions.

Yours Sincerely,

Mike Schumacher
General Chairman, FLOREX

CFSC

FLOREX has history ... and a lot of it. The first fifty years the Florida Federation of Stamp Clubs (FFSC) was the caretaker and guiding force. In 2000 the Florida Stamp Dealers' Association (FSDA) became the owner of the name FLOREX and has sponsored the show ever since. This takes a tremendous amount of effort on the part of countless people. For a highly detailed look at the history of FLOREX reference the website www.FLOREXStampShow.com and click on the HISTORY button.

My involvement with FLOREX has been for 25 years which represents 1/3 of its existence – which seems like a small amount of time in reality. As the show is celebrating the 76th annual event; I would like to think that the show will reach 100 years. I would seriously doubt I will see it – as I would be 90 and longevity in my family is not a thing.

The enjoyment of attending a major philatelic event is a lifetime experience where you reconnect with friends of many years and get to hunt for treasures that you did not know you wanted. Such is the life of being a collector. We all revel and suffer because of the need/desire/want.

Remember those that have given of their time and dedication to make this show happen, year after year. They are the true warriors of the philatelic world. Philately is alive and well in Central Florida and thriving. Look around the show and watch people and how they interact with others. Those that attend a show are part of a much larger group that seeks knowledge and enlightenment. I can honestly say that is exactly what draws me to attending a stamp show. The hunt for something I did not know I wanted is simply intoxicating. It is been a lifetime of thrills.

If you see me on the show floor – stop and say hello!

I encourage you to be kind and most of all -- be welcoming.

Sincerely,

Francis Ferguson
Central Florida Stamp Club, President
Florida Postal History Society, President
Florida Stamp Dealers' Association, Treasurer

Welcome everybody to FLOREX 2025.

This is our 76th year of presenting this event.

Once again, we are gathering at the Volusia County Fairgrounds in Deland, our 4th year at this location. It is once again, as President of the FSDA, my pleasure to welcome everyone to the show. I hope this year is the best yet. I hope you find everything you are looking for and more.

One of the highlights this year is the addition of a new program called "Postcrossings". From 11am to 1pm on Saturday look for the Postcrossing tables where people will get together and send & receive postcards from around the World. Make sure to get your special Manatee postcard.

This year we welcome 22 dealers occupying 32 booths from all over the United States, as well as dealers from Canada. As usual you will find a wide variety of material covering all your needs or desires, and hopefully some surprises you were not expecting to find. Enjoy browsing through all the extensive inventories the dealers have brought here for you.

I would like to personally thank all the volunteers that make this event possible; without them we would likely not be able to pull this off year after year. Special thanks to the Central Florida Stamp Club, as well as volunteers from the West Volusia Stamp Club – your assistance is invaluable!

A lot goes in to making this show a success. I want to especially thank Mike Schumacher who is stepping away from his role as Show Chair. Mike, thanks for all you have done! We wish you all the best in the future.

If you have any questions or concerns, please visit me at the Browse House Booth # 25 -- or track down our Show Chairman Mike Schumacher.

I look forward to meeting and talking to everyone this year. Enjoy the show!

Earl T. Reeder

Friday at the CHICGOPEX stamp show in Chicago, I ask “Earl, where’re all the customers?” Earl would explain that it’s November in Chicago and that the snow is keeping them at home. Later in the day the subject buzz among the dealers was “have you made your table costs?!” Such is the private chit chat among the dealer community while attending stamp

shows across the US. This was my introduction to Earl Reeder.... a stamp dealer! Earl and Jane, my wife Joanne and myself became friends some twenty years ago doing stamp shows first in Chicago and then across the country. This was the beginning of our family’s friendship. It became a habit to meet at stamp shows across the US. Many times, Earl and I would share adjacent tables and we always continued our good-natured chit chat over dinner in the evening.

Our wives Joanne and Janie would gab about the silliness of stamp dealers and their devotion to the hobby. Together they both would bemoan the time involved and the fact that Earl and myself would take so much pleasure in locking ourselves in our home stamp rooms during the week in “working up” material for the next stamp show.

All four of us all knew that stamp dealing was about making friends, providing stamps for our customer base, learning more about the world around us and having a good time.

If on Sunday the stamp show attendance had not been good, the retort among the dealer community was, “Wait for the church crowd – they’re on their way!” Never mind that many stamp dealers had gotten up early to attend church or had gone after show closure on Saturday. We just knew that many were not attending the show because they were in church! Hmmmmmm!

Winston Churchill once told people that he knew he would end up in heaven after his death and that he would have more time to paint. I believe stamp dealers think of the awaiting big stamp room in heaven with literally millions of stamps to be sorted, cataloged and priced for sale. And we will all be finding unknown treasures among the stamps in that stamp room in heaven.

I suspect that Earl is in heaven. And he’s in a large room filled with stamps! Sorting them out. Working them up for resale. Having fun and completely absorbed in his work. Enjoying himself!! Isn’t this a pleasant goal envisioned by many of us collectors and dealers alike?

Earl was from Miami Shores, Florida where he attended Miami Edison High School where he served as Chaplin for the band. He was a gifted singer and musician playing the tuba, organ, and also several stringed instruments. He attended and graduated from Troy State University and majored in math and music.

Earl spent 16 years teaching math at Osceola High School before being selected for administrative leadership positions in the district. At the county office he was the director of Planning and Evaluation, where he played a vital role in district’s state assessments and teacher certification.

All the while during his professional career he maintained his love of stamp dealing. For Earl the stamp business became a side business in 1977. Later he co-founded A & R Stamp & Coin with Ann Fettig his business partner. Along the way he organized several successful stamp shows in Florida. He also became president of the Florida Stamp Dealers’ Association. He sold out to his partner but he continued to do stamp shows across the country until selling out and retiring altogether about 6 years ago. A stamp dealer never retires, but Earl did!

He spent several happy years devoted to his wife Jane Davison a school teacher. They lived in Kissimmee and spent part of the year at their hideaway home in the mountains of NC.

Earl left behind a wonderful wife, a daughter Renee an internationally known eye doctor, a wonderful granddaughter Rachel, and many friends in the stamp collecting community.

He was kind to all. Helpful to all. And a great listener. He is missed.

What is Postcrossing?

The goal of this project is to allow anyone to send and receive postcards from all over the world! We are now celebrating our 20th year.

The idea is simple: for each postcard you send, you will receive one back from a random postcrosser from somewhere in the world. Why? Simply because, like its founder, there are a lot of people who like to receive real mail.

Receiving postcards from different places in the world (many of which you probably have never heard of!) can turn your mailbox into a box of surprises – and who wouldn't like that?

How does it work?

1. Write a postcard: The first step is to request to send a postcard – we'll give you the address of a random member and a Postcard ID (e.g.: RU-12345). Pick a postcard, write a friendly message along with its Postcard ID and the address given. Don't forget the stamps!
2. Post it: Now all you need to do is mail the postcard from your nearest postbox or post office. When your postcard arrives, its recipient will register it using its Postcard ID. This will make you eligible to receive a postcard from another member – and where your postcard will come from is a surprise!
3. You've got mail: One day, you'll check your mailbox and a postcard from someone far away will be waiting for you!
4. Register the postcard: Now it's your turn to register the postcard using its Postcard ID. That's it!

Oh, and you don't need to wait to send more – you can have several postcards traveling at the same time. The more you send, the more you will receive! Learn more at www.PostCrossing.com.

Exhibitor Prospectus -- FLOREX 2025, December 5-6

1. FLOREX is a WSP show open to all collectors regardless of philatelic affiliation who conform to the rules in this prospectus. Exhibits at time of entry that have won the APS Champion of Champions, an international grand prix, or three international large gold medals are ineligible. All material exhibited must be owned by the person(s) whose name(s) appears on the official entry form. Exhibits with dual ownership are not eligible unless the two individuals are husband and wife or parent and child. Exhibitors' names will be used in the program, in the palmares, in press releases after the show, and in connection with the awards. To remain anonymous, exhibitors must advise the exhibit committee and furnish a pseudonym.
2. Exhibits that have been purchased intact may not be exhibited for a period of two years from the date of purchase unless the exhibit is substantially altered by the addition of new material or new text. The Committee on the Accreditation of National Exhibitions and Judges will determine whether or not a particular exhibit is affected by this regulation.
3. **An entry form for each exhibit, along with the entry fee payable by check (made out to FSDA), must be mailed to: FLOREX, Mike Schumacher, 21635 Regency Park Lane, Leesburg, FL, 34748 -- arriving by September 20, 2025.** At most two multi-frame and one single-frame exhibits may be entered in the open competition by any one exhibitor. All fees paid will be refunded in case of non-acceptance but otherwise fees are non-refundable except as noted in #12 below.
4. Exhibits may be entered in any one of four classes: General, Single Frame, Youth, and Noncompetitive.
5. There will be up to 150 total frames at the show. Noncompetitive exhibits will only be accepted if they add significantly to the show. Examples include famous or infrequently seen rarities, innovative exhibits including those that will not fit in standard frames, and exhibits related to the theme or location of the show.
6. Exhibits are generally accepted in the order of receipt of completed entry forms and payment, however, FLOREX reserves the right to refuse any exhibit. Criteria that may be considered in the acceptance of exhibits include APS member status, membership in Societies participating in the show, service on the local committee or as a volunteer, planned attendance of the show and or awards functions, submission of title or synopsis pages, and whether or not the exhibit has been previously shown at FLOREX.
7. A jury of at least three APS-accredited judges will be appointed by the Exhibition Committee and approved by CANEJ to judge the exhibits. The judges will judge each exhibit on its own merit set forth in the 7th edition of the APS Manual of Philatelic Judging & Exhibiting, which is available through a free download from www.Stamps.org. Judging will be on an open basis. Exhibitors should familiarize themselves with the rules in order to achieve the highest award. Decisions of the judges are final. Other special and society awards will also be given to deserving exhibits at the discretion of the jury. All awards will be announced at an awards ceremony the afternoon of Saturday, December 6, 2025.
8. The following awards will be given to each qualified exhibit, based on the individual merit of that exhibit: Large Gold, Gold, Large Vermeil, Vermeil, Large Silver, Silver, Silver Bronze, Bronze or Certificate. There is no limit on the number of any one award that can be given in the exhibition. Grand and Reserve Grand awards will be given to the top General Class multi-frame exhibits. Awards will also be given to the best Single Frame, the best Youth Class exhibit and the People's Choice Exhibit.

Exhibitor Prospectus -- FLOREX 2025, December 5-6

9. The Grand Award winner is expected to enter the winning exhibit in the next World Series of Philately, competing for the Champion of Champions award.
10. Exhibitors who have an exhibiting age of 21 years of age or less on January 1, 2025, may enter the Youth Class. Frames for youth exhibits are offered at \$1.00 per frame.
11. Adult exhibits have a one-frame minimum and a ten-frame maximum. (Jenkins/Ameripex type frames, each holding four rows of four 8 1/2 by 11 inch pages will be used.) The use of double size or double row pages to display larger items is approved. If you wish to deviate from the standard frame layout you must get the approval of the Exhibit Chair prior to submission of your application (call **Mike Schumacher 352-575-2553**). Each album page must be inserted into a transparent protective sleeve, envelope or covering and should bear progressive numbers, preferably on the reverse side, to indicate the order in which the pages are to be mounted, preferably closed on three sides. The FLOREX Exhibit Chair should be consulted in advance regarding any exhibits with large or odd-sized pages that will not be mounted and dismounted by the owner or a designated agent.
12. The Official Entry Form must be used. It has space for a description of the exhibit of no more than 25 words for inclusion in the program. The title and description on the Official Entry Form will be used in the exhibition program. Please check your Official Entry Form **carefully** before mailing it. If the frames are over subscribed, only one exhibit may be accepted. Each exhibitor must also submit **four copies of the title page and four copies of a one or two page summary synopsis of the exhibit at the time of application.** Updates can be submitted up to October 1, 2025. The title page and synopsis for your exhibit will be distributed to the jury in advance of the show to assist them in preparing to evaluate your exhibit. A collector may submit more than one exhibit application, but the option to accept or decline the additional exhibits, is up to the Exhibition Committee. Separate entry forms must be used for each exhibit. **The exhibit entry is \$15.00 per frame. However, the minimum fee for each exhibit is \$30.00. The entry fee must be paid in full when you submit your Official Entry Form, by check made payable to: FSDA.** The deadline for entries is **September 20, 2025.** Early application is important because the Exhibition Committee may close entries without further notice when frames are filled. The Exhibition Committee can, at its discretion, reject any exhibit for any reason. If the exhibit is rejected, the entry fee will be refunded in full. All exhibitors will be notified whether their exhibit has been accepted. Entry fees will not be refunded for exhibits withdrawn after October 1, 2025, or not delivered to the Exhibition Chair. In the event that an exhibit is rejected for violating this requirement, all entry fees, less an administrative fee of \$15, will be refunded. Withdrawal or failure to present an exhibit after accepted will result in forfeiture of any entry fee paid.
13. **Personally, delivered exhibits** will be received by the Exhibition Committee before the show **between the hours of 3:00 pm and 6:00 pm on Thursday, December 4th, 2025.**
14. **No exhibit may be removed prior to the closing of the show at 4:00 pm Saturday, December 6, 2025.** The exhibit may be removed thereafter only when signed for by the exhibitor or duly-authorized representative and when checked out and released by the Exhibition Committee. The removal of exhibits will be carefully supervised by approved staff and will not be rushed so that safety and security are ensured.

Exhibitor Prospectus -- FLOREX 2025, December 5-6

15. **Mailed exhibits** should be sent to: **Michael Schumacher 21635 Regency Park Lane Leesburg, FL 34748 and should arrive between November 21 29, 2025.** Exhibits must be sent prepaid and with return postage or payment. They will be returned promptly after the closing of the show by the method requested by the owner. If no method is specified, your exhibit will be returned via Express Mail at a minimum fee of \$32.55 or the current rate, or actual cost whichever is greater. We highly recommend the use of fully insured Express Mail. **Please package your exhibit for shipping, so that the packaging materials can be reused for return.**
16. **Exhibitors must provide their own insurance.** All reasonable care will be taken to ensure the safety of the exhibits, including 24-hour professional security guards. The exhibit is entered at the risk of the exhibitor. No responsibility or liability shall be attached to the Florida Stamp Dealers' Association, FLOREX 2025, its Committee members, sponsoring societies, or any of their employees, officers, volunteers or representatives for any damage or loss for any cause or reason.
17. The Exhibition Committee will have complete discretion in matters that may arise concerning the Exhibition and not provided for in this prospectus. Exhibitors must agree that the decision of the judges shall be final, and hereby release and agree to hold harmless the judges and the American Philatelic Society, its officers, directors, employees, and representatives from any damages, including but not limited to damages to my reputation or that of my exhibit, suffered or incurred as a result of the judging. Signing of the Entry Form denotes acceptance of all conditions set forth herein. Any and all disputes are the sole responsibility of the Exhibits Chair to resolve.
